**Montréal, Québec, April 4, 2008** – Global Diversified Investment Grade Income Trust (the “Trust” or “Global DIGIT”) is issuing this press release in order to complete its Notice of Default pursuant to CSA Staff Notice 57-301 *Failure to File Financial Statements on Time – Management Cease Trade Orders* (“57-301”) that was issued on April 3, 2008, in respect of the Trust’s inability to file its annual audited financial statements for the year ended December 31, 2007 by the deadline of March 31, 2008 as required by National Instrument 81-106 – *Investment Fund Continuous Disclosure*, and the management cease trade order that was issued on April 2, 2008 relating to such inability.

Pursuant to 57-301, applicable Canadian securities commissions or regulators may impose an issuer cease trade order against the Trust if the annual audited financial statements are not filed by May 31, 2008, being the date that is two months following the date of the filing deadline for the annual financial statements. In addition, an issuer cease trade order may be imposed sooner if the Trust fails to file Default Status Reports on time in accordance with 57-301.

The Trust intends to satisfy the provisions of Appendix B to 57-301 by filing a Default Status Report in the prescribed form, which is attached hereto, as long as the Trust remains in default of the financial statements filing requirement.

The TSX has neither approved nor disapproved the contents of this news release.
