GLOBAL DIVERSIFIED INVESTMENT GRADE INCOME TRUST II

MONTHLY DISTRIBUTION AS AT AUGUST 31, 2009

Montréal, Québec, September 8, 2009 – Global Diversified Investment Grade Income Trust II (“Global DIGIT II”) declares the following monthly distribution consisting of a partial capital reimbursement:

Trading Symbol	Distribution Amount (per unit)	Record Date	Payable Date	Distribution Amount Annualized	TSX Closing Price Per Unit as of September 4, 2009
GII.UN	\$0.0687	September 30, 2009	October 15, 2009	\$0.8244	\$2.04

One of the objectives of Global DIGIT II is to provide unitholders with a monthly distribution which, starting March 2010, will be a varying amount equal to the five-year Government of Canada bond yield plus 4.0% to 4.5%, reset every month. Taking into account the current bond rate, the monthly distribution would be approximately \$0.055 to \$0.059.

About Global DIGIT II

Global DIGIT II provides an economic interest in an equity tranche of credit default swap agreements in respect of portfolios of mortgage-backed securities, asset-backed securities, structured finance securities and synthetic corporate exposures.
